A time and place for every Metro customer

Getting you where you need to go safely, comfortably and on time is our priority and everything we do is aimed at achieving it.

Nearly \$1 billion has been invested in Melbourne's railway over the past 18 months, improving the reliability of our assets, bringing more trains on to the network, and extending the network into the fastest growing areas of Melbourne.

This investment is growing our railway which allows us to offer more services to customers, more often and at the times our customers need them.

In this timetable we've added 635 new services each week. That means Metro customers now have access to 14,000 train services per week in Melbourne – a record high on the metropolitan network.

And this is only the start of what promises to be the most radical change Melbourne's railway customers have ever seen.

With more services, more often, we're confident our customers will start to see and experience the investment and the work being undertaken to get all of us where we need to go, on time, comfortably and safely.

Local premium stations

A premium station is staffed from first to last, seven days a week, has a customer service centre where customers can buy tickets and gain travel information and most have facilities such as toilets and indoor waiting areas. The network map in this timetable shows which stations have premium status.

Flinders Street Station

It's important to note that all services begin and end at Flinders Street Station.

This timetable indicates times that some services depart from other City Loop stations, however, this is to be used as a guide only. To keep as many trains running on time as possible, service destinations may alter at Flinders Street Station so it's important to always check that your service hasn't changed once it reaches Flinders Street Station.

On the concourse at Flinders Street Station is the Customer Information Centre. The friendly staff here can help you with all travel enquiries.

Hours of operation

Train services normally operate from 5am to midnight Monday to Saturday, and 8am to midnight Sunday. Extra late-night services are scheduled between 12.30am and 1am on Friday and Saturday nights, excluding public holidays.

Public holidays and special events

On public holidays train services run according to the Saturday timetable, with the exception of Christmas Day and Good Friday which operate to the Sunday timetable.

Additional services run for major events across Melbourne, including AFL and other sporting matches, the Spring Racing Carnival and music festivals. For details on these services visit metrotrains.com.au or call Metlink on 131 638.

Improvement works

Improvement works are an important part of maintaining and upgrading the Metro network. Maintained tracks means trains will run more smoothly, you'll enjoy a more comfortable ride and your journey will be more reliable.

Sometimes during improvement works it's necessary to close sections of the network to get the job done quickly and safely. Most closures will occur during evenings or across a weekend to minimise any inconvenience. When a section of the track is closed, replacement buses will be organised.

While your journey may change, you will be kept informed. Information on changes will be available at stations, communicated via daily newspapers and also available at metrotrains.com.au where you can sign up to MetroMail for email updates on your specific train line.

Accessible travel

Ongoing efforts are made to meet the access needs of all customers. Details on facilities for accessible travel can be found at metrotrains.com.au

All trains provide wheelchair access. You can board trains from the dedicated access points marked on platforms with a white or yellow rectangle. The driver will assist you on and off the train via a ramp. Simply ensure you are in position at the access points ready to get on when the doors open and inform the driver of your destination.

Travelling with prams and children

The following safe travel tips will help you when travelling on the train with a pram and/or children.

- Always stand behind the yellow line as the train is approaching or leaving the platform.
- It is recommended that you travel in one of the front carriages where the driver has the best view of customers getting on and off. When getting on push the pram into the carriage ahead of you. You may need to lift the pram into the carriage as not all platforms are level with the train.
- To ready yourself for getting off at your station, where possible select a seat or location closest to the doors. When getting off, step out first and then pull the pram out backwards after you.

Travelling with bicycles and surfboards

Bikes can be carried on all services. Customers are requested to avoid heavily congested carriages or services, and to consider the comfort and safety of others.

Customers with bikes must not travel in the area behind the driver's cabin in the first carriage of the train as this area is reserved for customers travelling with a mobility aid.

Folding bikes are permitted in any part of the train if they are folded up, inside a bag or case. They should not be placed on a seat. Surfboards can also be taken on trains but should not be placed on a seat or obstruct other customers.

If your service is replaced by a bus, rules of travelling on a bus must be adhered to, which means you won't be able to take either a bicycle or surfboard.

A Parkiteer bike cage offers 24-hour undercover and secure bike parking at 34 Metro stations across the metropolitan railway network.

Metro also offers access to a limited number of individual bike lockers at Metro Premium Stations. For more information on this visit metrotrains.com.au

Travelling with pets

Guide dogs, hearing guide dogs, guide dogs in training and animals with an Assistance Animal Pass can travel for free on trains.

Dogs on leads are permitted but only if they are muzzled. Small animals can travel on trains but they must be in a suitable container.

The Assistance Animal Pass has been developed to help people with an ongoing disability (including issues relating to ageing and psychiatric illness) who are unable to use public transport without an approved assistance animal. For more information or to apply for the pass visit metlinkmelbourne.com.au or call 131 638.

Safety on our network

The safety and security of customers is paramount, therefore no corners are cut – anywhere. For Metro, this includes the safety of customers on trains, at stations and car parks and between intermodal connections.

When waiting for a train on a station platform, we ask customers to stand behind the yellow line at all times. Doors must not be opened until the train has come to a complete stop and at no stage should doors be forced open while a train is moving.

We also ask customers not to run down escalators or ramps to attempt to board a departing train. A door closed is a train moving – another service will arrive in a few minutes to get you where you need to go.

If, at any time, you feel unsafe on the network, look for a Metro station employee or an Authorised Officer. Every railway platform is fitted with a red emergency intercom button which allows customers to gain immediate assistance from a Metro employee in an emergency situation.

Drivers also play an important role in communicating any on-board unruly behaviour to our train control centre while all new and refurbished trains feature CCTV (closed circuit television) and emergency help buttons to enable customers to speak directly to the driver.

Metro works closely with the Victorian Police Transit Safety Division to keep our stations and trains safe. Personal safety is being enhanced through CCTV surveillance on trains, stations and car parks with increased energy efficient lighting, public telephones at stations and a heightened presence of Metro employees and Transit Police.

Planning your journey

Metlink's online journey planner helps you plan a journey on public transport between points A and B. Simply enter your origin and destination and receive a customised trip plan detailing all services and connections.

You can use the journey planner at metlinkmelbourne.com.au to plan your next trip or call Metlink on 131 638 (TTY 9619 2727) 6am – midnight daily.

Travelling with Metcard

Melbourne's automated ticketing system operates on all train, tram and bus services in the metropolitan area with electronically encoded tickets called Metcards.

Metcards must be validated before entering and leaving a train platform and each time you board a bus or tram.

Where to buy Metcards

To always be ready for your next journey pre-purchase your Metcards from:

- customer service centres at Premium Stations
- retail outlets across Melbourne displaying the blue Metcard sign
- the MetShop at the Melbourne Town Hall, corner of Swanston and Little Collins streets
- by calling the Metcard Helpline on 1800 652 313
- online at metlinkmelbourne.com.au

Travelling with myki

You can also use myki to travel on metropolitan trains, trams and buses.

Myki is a durable, plastic smart card that stores value and can be used over and over again. Simply keep your myki topped up and carry it with you, and you'll always be ready to travel. Just touch on and off when you travel and myki will automatically calculate the lowest myki fare for you.

You can top up your myki:

- online at myki.com.au
- by calling 13 6954 (13 myki)
- at selected retailers where you see the myki sign
- at myki machines at metropolitan train stations and selected tram platforms stops and bus interchanges.

Please allow at least 24 hours for your website or call centre top up to be processed.

Touching on and touching off

Each time you enter a train station, tram or bus, you must touch on at the myki reader.

Train and bus users need to touch off at the end of each trip for the lowest myki money fare. When travelling on a tram, you only need to touch off to get the lowest myki money fare if your whole trip is in Zone 2.

You can buy a myki:

- online at myki.com.au
- by calling 13 6954 (13 myki)
- at premium metropolitan train stations
- at the myki Discovery Centre at Southern Cross Station
- at the MetShop (Melbourne Town Hall, corner of Swanston and Little Collins streets).

How much does a myki cost?

The card price for a full fare myki is \$10 and \$7 for a concession, seniors or child myki. For more information about how to use your myki, visit myki.com.au or call 13 6954 (13 myki).

Zones

Fares for travelling on Melbourne's trains, trams and buses are separated into two zones: Zone 1 for inner-city and Zone 2 for the middle and outer suburbs.

Using the network maps, check what zones you are planning to visit and make sure you have a ticket that covers your entire journey.

Tickets need to be valid for each zone that you travel in. However, when travelling in a zone boundary overlap, the ticket can be valid for either zone.

Travelling on concession fare

Whenever you travel on a concession fare, it is important to carry the correct entitlement. Failure to produce your valid concession card on request from an Authorised Officer may result in a fine.

You can travel on a concession fare if you are aged 16 years or under or carry a valid concession card. Children aged three years and under travel free.

Visit metlinkmelbourne.com.au or call 131 638 for concession entitlement information.

Travelling with a pram

With safety our top priority, remember to follow these four safety steps when travelling with a pram:

1. On the platform, keep your pram parallel to the tracks, behind the yellow line.

2. Hold onto your pram at all times, apply the brakes and restrain your child with a harness. If you have an older child with you, have them hold your hand or the pram.

3. Travel in one of the front carriages so the driver has the best view of you entering and exiting the train.

Enter

4. Board the train with the pram in front of you, lifting the front wheels over the gap. When exiting the train, step out first then pull the pram towards you, rear wheels first.

Exit
